## Tune Up Procedure

Federal Communications Commission  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD 21046

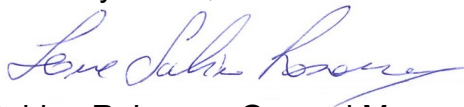

Houston, February 25<sup>th</sup>, 2015

Re: Tune Up Procedure for FCC ID: 2AEAL-SB-850-1900

To Whom It May Concern:

There are no external tuning and/or other adjustments. Each booster is factory set to not exceed maximum gains and power levels as proved in test results.

Sincerely Yours,

A handwritten signature in blue ink, appearing to read 'Sabino R. Leone', is written over a horizontal line.
